### Your tax dollars at work - Notice of Consumer Rights

Maryland law considers us to be a "health club" (I can't believe it either), necessitating that we pay several hundred dollars annual registration fees to the State and give you the following notice (updated January 2008):

- Our business registration number with the State's Consumer Protection division is P3082.
- We are not required to carry a performance bond under the Maryland Health Club Services law because we do not accept more than three months payment in advance, and we do not charge any initiation fee.
- If our program is closed for a month or more, you are entitled to your choice of either an extension of your class card, or a prorated refund. (If the closing isn't our fault, we are entitled to choose either the extension or refund.)
- You have the right to cancel any purchase of services, and receive a full refund, within three business days of receiving this notice. Cancellation must be in writing and delivered in person or via certified or registered mail.
- If you become disabled for at least three months (as confirmed in writing by a physician), you are entitled to an extension of the validity of your purchase, equal to the duration of the disability.
